**11th Congress of the European Association for Dental Public Health,
Prague, Czech Republic, 7th - 9th September 2006**

Dr Zdenek Broukal warmly invites us to join him and his organising committee at the 11th Annual Congress of the Association in Prague this September. The congress programme looks varied and interesting with the following main topics: Oral epidemiology, Oral health promotion, Oral health services research, Tobacco and oral health, Oral health related quality of life, Public health issues of oral cancer, Curriculum of dental team members at undergraduate and postgraduate levels in EU members and the candidate countries.

Reduced rates for registration are available for applications received by 15th of April although registration and hotel booking will remain open until the 15th of July. Booking forms and full details of the meeting are available at www.eadph2006.cz/programme.htm.

Proposal to the European Commission for “Public Health 2005” Funding

Phase II of a joint project co-ordinated by Professor Denis Bourgeois entitled "European Global Oral Health Indicators Development" has recently been funded by a European Commission (Health & Consumer Protection Directorate-General) grant. This project will continue on from Phase I in developing 40 common oral health indicators across Europe.

EADPH Newpage - information sharing

On behalf of EADPH, I would like to offer our thanks to the retiring Executive Officer for Communication, Dr Ivor Chestnutt, for his work in office and for keeping us informed of EADPH news throughout the term of his office. In continuing his work, I would like to extend an invitation to all members of the Association to submit news and information to me which might be of interest to those in other states for consideration for future newsletters at the following address:
